

Woodstock Photography General Portrait Price Schedule

Complete portrait photography service information is available.

Please call the studio to request a complete brochure, or to schedule a consultation appointment

Portraits In The Studio

Please call the studio to discuss scheduling a portrait session for you or your family.

We are happy to offer you the opportunity to have a consultation appointment to discuss your portrait needs.

Classic Portrait Session \$150.00

The Classic Portrait Session is for one or two people. You may include a pets or props. You may also have a clothing change, which will increase your portrait choices.

Depending on the nature and extent of the session, you may have 20 or more images to select from. You will have the option of ordering color or black & white portrait prints from your session.

The portrait session fee includes a \$75 print order credit, which will be applied to your order.

Family Portrait Session \$250.00

The Family Portrait Session is for 3 or more people. The session may include family pets. It is common for these sessions to include a portrait of the entire group, as well as smaller combinations.

These sessions usually produce 20 or more images to choose from. You may order color or black & white portrait prints from your portraits.

The portrait session fee includes a \$125 print order credit, which will be applied to your order.

Portraits On Location

Classic Portrait Session \$250.00

For a unique, less-traditional approach, clients may choose to have their session outside of the studio. Session includes a \$125 print order credit.

The session fee includes up to one hour of photography time, and travel within 15 miles from the studio. Additional charges may apply.

Family Portrait Session (on location) \$450.00

We offer location portrait photography for occasions when clients choose an environmental or home setting for family portraits.

These sessions tend to be more relaxing, and lead to unique possibilities for backgrounds and group arrangements.

The portrait session fee includes a \$225 print order credit, which will be applied to your order.

The session fee includes up to two hours of photography time, and travel within 15 miles from the studio. Additional charges may apply.

Portrait Print Prices

All portrait prints include basic retouching services to enhance the quality of your image(s). Please inform us if you have any special retouching concerns or needs.
